

SUMMER SCHEDULE 2026

*Our teams remain fully mobilized
throughout the summer to support you!*

OUR SERVICES REMAIN OPEN!

Throughout the summer, our Sales, Logistics and Administrative teams remain **fully operational** to ensure:

Product identification,
catalog support and
availability
information

Order
processing

Shipping and
logistics tracking

Administrative and
commercial follow-up
of your files

Our teams remain at your service throughout the summer!

OUR PRODUCTION FACILITIES WILL BE EXCEPTIONALLY CLOSED

From **Monday, August 3** to **Friday, August 14, 2026**
(inclusive)

This closure mainly concerns:

Our Original Equipment Parts Remanufacturing Department
(remanufacturing requests for your customers' parts)

Our After-Sales Service (Technical Support)
(technical enquiries and product expertise)

Core collection and receiving operations (cores)
will be suspended from **Monday, July 27 to**
Friday, August 14, 2026 (inclusive).

Processing times for remanufacturing requests and after-sales cases requiring technical expertise may be extended during this period.

Core collections and deliveries (cores) will not be carried out from **July 27 to August 14, 2026 (inclusive)**. We kindly invite you to anticipate your core returns before this period.

PLAN AHEAD

Please take this schedule into account when planning:

- your remanufacturing requests
- your after-sales returns
- your core returns
- and any intervention requiring technical expertise.

Thank you for your understanding.

Should you require any further information, our team remains at your disposal.
